- Campers from the past two seasons will be given priority for 14 days after the mailing of brochures. At that point, registration is first-come-first-served. New camper siblings will be enrolled after returning campers.
- Camp WILL be open on July 4th. Because the program is a challenging one that requires full participation by every camper, we ask you to select a session that has no time conflicts for your child. Requests for early dismissals and absences weaken the impact of the program not only for your own child but for every other child as well. We appreciate your consideration of this policy.
- Albemarle day campers must have attained their 7th birthday by the beginning of camp. Boarding campers must have attained their 8th birthday by June 28, 2010 the beginning of camp. For additional information, call 609-924-5858 ext. 41 or email rellsworth@americanboychoir.org.
