20th March .

Dear Mrs. Price,

We are so pleased that
Bill can come home with
John for Easter. I am
sorry to have been so
long in replying to your
letter, but it came while
we were away from home.
We went to New England
to see about a school
for John next year & then
to New York to see my
mother aboard The Queen
Elizabeth on her way
home after visiting over
here for 3 months.

You need not worry
