

It sounds as if our Janies
are interested in very much
the same things, we'd love to
meet the rest of you. Do you
mind Bill riding our horses?
We have a Tennessee Walker
— quite old & not too high spirit
& a fairly large pony.

I want this to catch
the mail — Thank you so
much for such an interesting
letter. I'll let you know how
Bill is getting along.

Very sincerely, Margaret Hargis
