Dear Mr. Price:

I believe arrangements have been made for Bill to spend his Easter vacation with John Motsinger and his family. Perhaps you already know this. The Motsingers, including John, are among the nicest people we know and Bill will enjoy his visit with them very much. I have spoken with Bill about his plans and he seems to have everything well accounted for. I am sure it will all work out happily for him.

Sincerely yours,

T. Robert Bassett
